White always creates the illusion of space and has a timelessly modern effect. This is why our exclusive fronts in a glass look are also available in Alpine white: an exceptional look with exciting depth effect. A strong contrast: the matt, deep black worktop Ceramic.

WORK
BEAUTIFULLY

Everything perfectly integrated, including
stylistically. The home office can be separated
from the kitchen and living area by opaque sliding
doors but is a real eye-catcher even when the
door is left open. The uniform design ensures
harmony throughout.

ULTRAMATT ULTRA BEAUTIFUL

To fans of purist design, ultramatt surfaces offer exciting design freedom thanks to their unique look. They make accents such as our elegant faceted shelves even more extraordinary. Touching is encouraged, since the anti-fingerprint coating makes irritating fingerprints a thing of the past.

Our expressive concrete decors that pay visual tribute to the urban lifestyle are just as versatile as life itself. There is a shade to suit every taste, from white concrete to the homely and warm colour scheme terra grey.

BLACK EDITION BLACK EDITION

It's hard to think of a more consistent accent colour. Pure black is always an unbeatable design statement, especially when it's a persuasive kitchen interior concept. The fronts, sink, shelf unit, interior and matching food jars – black is the new black.

MIAMI

DESCRIPTION

Plenty of storage space – perfectly planned.

Much is demanded of a real modern family kitchen. It requires kitchen organization, workable for the entire family and of course the necessary robustness and durability. The focal point of this family-oriented kitchen is the island with the center stove. It visually separates the kitchen from the adjoining living room. The Ponderosa pine style countertops pair nicely with the satin grey kitchen cabinets creating a nice modern and natural look.
